BHPS Stage 3 Community Initiative

Dear Parents and Caregivers,

Throughout 2020, we are looking to have a stronger engagement with a variety of local services within our community. We are reaching out to our Stage 3 students to engage with and participate in some community-based activities. As these initiatives will often be outside of the school grounds we would like your support for your child to participate.

At present we are planning to visit our local preschools to read and support the students with Literacy activities. The school is also planning to support the Schools as Community Centre with their Food Pantry Program.

We value the impact that supporting our local services has for the wider community, as well as, the benefits for each student's personal growth and citizenship skills.

WHO	Students in Years 5 and 6 on a rotational basis throughout the year
DATE & TIME	Frequently throughout the year, generally after 1pm and will be back before 2:30pm
WHERE	Schools as Community Centre, Good Start Early Learning Centre, Aussie Kiddies Learning Blue Haven
TRAVEL	Will be by walking or possibly driven in a teacher's vehicle
STUDENTS NEED	To wear their Blue Haven School Uniform
COST	There will be no cost related to this initiative.

In order to participate, ensure all sections of the note are completed, signed and returned to the office by Tuesday, 18th February, 2020. We are excited to be active in our community and hope you will support your child in taking part in these activities. Student participation in these events is dependent upon good behaviour.
