## K-2 Responsible Pet Visit

Dear Parents and Caregivers,

Children in K-2 classes will be participating in the *Responsible Pet Education Program* at school on **Wednesday 11<sup>th</sup> March 2020 and Thursday 19<sup>th</sup> March 2020**. Class teachers will be taking their own classes to their allotted session. This aligns with the PDHPE syllabus and has no cost to families.

The purpose of this visit will be to support children with strategies when they are around dogs, whether the dogs are known to the child or not. **There is no cost for this activity.** Some of the children will also be given the opportunity to pat the visiting dog.

If your child has a fear of or allergies relating to dogs, please fill in the form below and return it to your child's teacher before **Friday 6<sup>th</sup> March 2020**. **Students without allergies or fear of dogs, do not require the note to be returned.**

Megan Byrne  
Coordinating Teacher

Paul McDermott  
Principal

### Privacy Notice

The information provided on this form by you is being obtained for the purpose of this excursion. It will be used by the NSW Department of Education and Training in the case of emergency.
