MAPPEN- Tip Toe Through Our World

Dear Parents/Caregivers,

During this semester your child has been learning about Sustainability and ways that we can all help to look after our environment.

One of the things students are learning about is how to reuse items that are commonly discarded.

This term the students will be constructing something out of these items and we would very much like you to start collecting them at home.

Some of the things we would like you to send include:

- Egg cartons
- Cardboard
- Plastic containers
- Paper towel rolls, cling wrap rolls or aluminium foil rolls
- Old buttons
- Used ribbon
- Used wrapping paper
- Material scraps
- Any other things that you can think of

Due to hygiene regulations, we are unable to accept toilet paper rolls.

By the end of Week 3 Term 2, please send in all items in a bag labelled with your child's name.

Thank you so much for helping us to teach our children how important it is to save finite resources.

Kind regards,

Stage 1 teachers
